

WHAT LEVEL IS RIGHT FOR YOU?

A Step-By-Step Guide To Your Perfect Senior Portrait & Yearbook Image

**With session fees ranging from \$0 to \$600,
we have the session that fits your needs and budget.**

LEVEL 1: **USE YOUR SCHOOL PORTRAIT:**

(for seniors who use BEL Portraits for their school photography)

This level is for seniors who are just not into senior portraits or are too busy to be bothered. We'll be photographing you in September along with all of your classmates and will create a nice traditional portrait you can use for your yearbook image.

WHAT TO DO:

- 1) Have your portrait taken on school portrait day (September 17)
- 2) Tell your yearbook advisor that you'll be using your school portrait for your yearbook image.

LEVEL 2: **SENIOR DAYS – BEL EXPRESS:**

On Wednesday, August 13, Saturdays, September 6, 13, and 20, we will be offering FREE 15 minute senior sessions from 9:00am until 4:00pm. You will have one outfit and up to 8 poses to choose from. Since there are EXTREMELY few sessions available (first come first serve - and only one session per senior) we require a \$69 deposit to hold your session time. The \$69 will be credited to your order. Packages start at \$69. You can choose from 2 levels of optional retouching. You may choose to have your session inside OR outside (one OR the other.)

RAIN OR SHINE!

In case of rain, we will have two different inside backgrounds to choose from.

WHAT TO DO:

- 1) Call 223-4400 to book your time. Your \$69 deposit will be due at this time.
- 2) Show up for your session at **LEAST** 10 minutes early. If you are late, you may lose your session and your deposit.
- 3) After your session you will see your images immediately and will have an ordering session.

Since there are no proofs or online ordering available, please bring a parent or guardian to help place your order.

Payment for orders is due at the ordering session.

- 4) Choose your yearbook image.
- 5) We will deliver your yearbook image to your yearbook advisor (guaranteed).

LEVEL 3: **QUICK-TAKES – BEL EXPRESS:**

Take your senior portraits to the next level with our \$75 Quick Take Sessions. These fast-paced 30 minute sessions include up to three outfits, & multiple inside and outside settings.

The number of sessions are very limited and are on a first come, first serve basis.

WHAT TO DO:

- 1) Call 223-4400 to book your time. Your \$75 session fee will be due at this time.
- 2) Show up for your session at **LEAST** 10 minutes early. Being late will reduce the number of images we can create for you.
- 3) After your session you will see your images immediately and will have an ordering session.

Since there are no proofs or online ordering available, please bring a parent or guardian to help place your order.

You'll be ordering our premiere portraits which include:

*Hand processing of every portrait ordered by BEL Portraits world class photographers and in-house digital retouching artists.

*Premium re-touching (blemish removal, skin smoothing, stray hair fixing, teeth whitening, and eye brightening) of every image ordered to ensure you look your absolute best.

*Hand mounted, gold edged portraits on art board for portraits that are not only beautiful but durable.

Payment for orders is due at the ordering session.

(you may also choose to split your total into two payments.)

4) Choose your yearbook image.

5) We will deliver your yearbook image to your yearbook advisor (guaranteed).

The Details:

The **IN**spire and **IN**dulgence both start with a consultation.

During your consultation we will do four main things:

- 1) Discuss what type of portraiture you are looking for. We will work with you to create the perfect portrait session - portrait style, clothing, props, location, time of day.
- 2) Schedule your portrait session.
- 3) Schedule your view & order session.
- 4) Confirm your sessions with a reservation retainer (\$200 for the **IN**spire, \$300 for the **IN**dulgence). This fee also holds your date and time for both sessions.

In studio consultations are also arranged so that you can see our many product offerings and begin to visualize how you want to display your portrait art.

THE PORTRAIT SESSION:

The day before your portrait session, we'll give you a call to confirm our plans and discuss weather options (in case of an impending inclement forecast). Don't forget to wear the appropriate clothing that we discussed in your initial consultation. Your clothing plays a large role in setting the tone for your entire portrait session. Please arrive on time & allow ample time for your session so that you can be relaxed and enjoy your portrait experience. The balance of your session is also due at this time (\$150 for the **IN**spire, \$300 for the **IN**dulgence).

ORDERING SESSION PREPARATION:

To simplify the ordering process please do the following:

- 1) Make a list of friends & family that you want to give portraits to.
- 2) Have an idea of what products or wall presentations you'd like.

THE VIEWING & ORDERING SESSION:

Approximately 1 week after your portrait session you will get to view your images for the first time via an awesome slideshow that is projected onto a large screen. Since you will most likely be placing your order at this time, please be sure that anyone who needs to be involved in the decision making attends this session.

Anyone else, such as parents and grandparents, who want to be part of the viewing and ordering process are more than welcome to join us. Please allow ample time for this session as we do not want your decisions to be rushed.

We will guide you through the process of selecting your favorite portraits, and will be there to answer any questions along the way. Our ordering software makes this process easy and fun and it also allows us to show you different options such as actual size, cropping and color.

Once your favorite portraits have been selected, we will use those portraits to fulfill your wants & needs - whether it be gift portraits for friends & family, framed wall portraits, canvas gallery wraps, or custom designed albums to name a few!

A down payment is required to finalize your portrait order. If you'd like, you can set up a no-interest custom payment plan. You do not have to finalize your order at this time, however nearly all clients choose to do so that they can receive great bonuses & discounts. Additional view & order sessions are available if necessary for an additional fee. Two days after your order is placed, your images will be placed into production, after which no changes may be made to your order.

ONLINE VIEWING: After all ordered portraits have been retouched, they can be uploaded to an online gallery so that you can share them with your friends and family. Online viewing is complimentary with a portrait collection or is available as an add-on to ala-carte orders for an additional fee. Password protection on galleries is available. Galleries remain online for 1 month and there is an archive fee if you need to extend your viewing period.

PORTRAIT DELIVERY: We use the best printing labs to create the highest quality portraits possible. Depending upon the products ordered, your portraits will be ready to pick up approximately 3-4 weeks after your order is finalized. Rush fees are available. We will contact you as soon as your portraits are ready so that we can schedule a time for you to pick them up. When you pick up your portraits we will go over your order with you to ensure everything is to your satisfaction. Portrait orders can be shipped upon request for an additional fee.

PAYMENT: Payment options include cash, check, debit, Visa/MC/Discover
